No waste of FOOD! IN thousands of country homes, housewives are grateful to husbands who had the foresight to invest in Superflex, that oil burning refrigerator which keeps their food fresh, wholesome and free from spoilage at a cost of less than \$10 a year. Superflex means a substantial saving of food and money... With Superflex, every meal is an event instead of a routine. Superflex keeps food in such a crisp and healthful condition that it is a pleasure to eat. Superflex keeps food in such a crisp and healthful condition that it is a pleasure to eat. FATHER Darkleaf

This is the season of family reunions. We have heard of several already and know of others planned. We trust that there will be a reunion present at each gathering and that a full account will be sent to the county paper.

With the tearing down of the old building, approaching Father Darkleaf of a classical story. You will recall that Miles was in love with Patricia. She was a timid and beautiful man who was afraid to ask her for her hand. When John Alden performed the feat, you recall that Patricia married him. "WHY DON'T YOU SPEAK FOR YOURSELF, JOHN?"

Improved Models

The comfort of a driver and his passengers on a vacation tour depends partly on their sitting the special features built in their car and partly on their own initiative. The long-distance tourist expects a car of a different kind, one that will give him a ride of five hundred miles a day, without the driver becoming fatigued.
